

SUBHASH BOINA

Software Developer

Visakhapatnam, India | 8247443734 | subhashsubbu8374@gmail.com | [Portfolio](#) | [GitHub](#) | [LinkedIn](#)

PROFESSIONAL SUMMARY

MCA student at GITAM University learning Python and web development, with a strong interest in building practical, user-focused projects. Familiar with Python, HTML, CSS, JavaScript, and core computer science concepts. Building skills in problem-solving, databases, and modern software development while continuously improving through hands-on projects. Seeking an entry-level Software Developer role to learn from experienced teams and contribute to real-world applications.

TECHNICAL SKILLS

Languages: Python, C, HTML, CSS, JavaScript (Basics)

Web Development: Responsive Web Design, DOM Manipulation, UI/UX Basics

Databases: SQL, SQLite, Database Fundamentals, SQLAlchemy

Programming Concepts: Programming Fundamentals, OOP, Problem Solving, Debugging, Version Control

Tools & Platforms: VS Code, Git, GitHub, Render, Vercel, Power BI (Basics)

Learning: Data Structures & Algorithms, Advanced JavaScript, Modern Web Development

INTERNSHIP EXPERIENCE

Python Programming Intern — BeeSkilled

July 2026 – August 2026

- Completed structured Python training focused on programming fundamentals, problem-solving, and building small practical applications.

Data Analytics Intern — AvalIntern Edutech Pvt Ltd

May 2026 – June 2026

- Worked on data analytics concepts including data handling, visualization, and basic reporting through guided practical tasks.

PROJECTS

Job Application Tracker / Full-Stack Web Application, Flask, Database, Deployment

- Built a full-stack job application tracking system using Flask, SQLAlchemy, SQLite, HTML, CSS, and JavaScript. Implemented user authentication, application management, dashboard statistics, and responsive UI design.
- Deployed the application using Render and managed the project workflow with Git and GitHub, gaining practical experience in building and deploying a complete web application.

EDUCATION

Master of Computer Applications (MCA) — GITAM University, Visakhapatnam 2025 – 2027

BSc Computer Science (MPCs) — Gayatri Vidya Parishad College, Visakhapatnam 2021 – 2024

CERTIFICATIONS

- [Python Programming Internship Certification — BeeSkilled \(August 2026\)](#)
- [Data Analytics Internship Certification — AvalIntern Edutech Pvt Ltd. \(June 2026\)](#)
